Subject No. 469.

Railing the bund of certain tanks upon which the Mysore-Manantody road runs.

Mr. Subba Rao.

Summary of Representation.—The Mysore-Manantody road runs on the bunds of the Mandanahalli, Gante Hanumanthraina Gudi, Hole Hundi, Kambala, Gollikere, Vada Gatte and Tadike Halla tanks. For the safety of the carts going at nights on these tank bunds, the road on them may be railed on both sides.

Reply of Government.—For District Board's consideration. The Chief Engineer will also investigate this.

Subject No. 470.

Defining halting places for carts on the Mysore-Manantody road.

Mr. Subba Rao.

Summary of Representation—There being no places for carts plying on the Mysore-Manantody road to bivouac, the carts are left on the road to the great inconvenience of passengers. Pray that places may be defined where carts are to halt, imposing penalty for infringement of the order.

Reply of Government.—The Deputy Commissioner's attention will be called to the subject.

Subject No. 471.

Cart-load of timber to be not more than 35 cubic feet.

Mr. Subba Rao.

Summary of Representation.—On the Mysore-Manantody road, timber-laden carts are plying in large numbers. Some hard and fast rule is necessary restricting the cubical contents of the timber to be carted to 35 cubic feet. At present logs of from 50 to 70 cubic feet are loaded in carts thereby killing the animals employed for purposes of conveyance.

withdrawn.

Subject No. 472.

A well for Mellahalli and Hallikere hundi.

Mr. Kodandapani Setti.

Summary of Representation.—In Mellahalli and Hallikerehundi, hamlets attached to the Harohalli village, there are three hundred houses with a population of more than 1,000. In hot weather much difficulty is felt by men and cattle. It is requested that a well may be sunk or that the old pond which is in a dilapidated condition may be restored.

withdrawn.

Subject No. 473.

Improvement to Virijanadi naja.

Mr. Kodandapani Setti.

Summary of Representation.—The grade stones fixed beyond the 16th mile stone of the Virijanadi nala not being in proper level and the nala itself silted up, pray that the necessary improvement may be made to the nala to irrigate the lands under cultivation.

Reply of Government.—Already discussed.

Subject No. 474.

Location of Bendrawadi Chuttram at Koulande

Mr. Amble Annaiya Pandit.

Summary of Representation.—It is submitted for the consideration of Government that the chattram at Bendrawadi, Chamarajnagar Taluk, may be located by the side of the Koulande Musafirkhana, Nanjangud Taluk, thereby affording convenience to travellers going to Chamarajnagar and Kollegal sides.

Reply of Government.—This is a feasible project and more convenient. The chattram may be shifted. The Police Station is also there.

Subject No. 475.

Feeding at nights in the Nunjangud chattram.

Mr. Amble Annaiya Pandit.

Summary of Representation.—Arrangements may kindly be made to feed the travellers in the chattram at Nanjangud at nights.

Reply of Government.—Already discussed.
